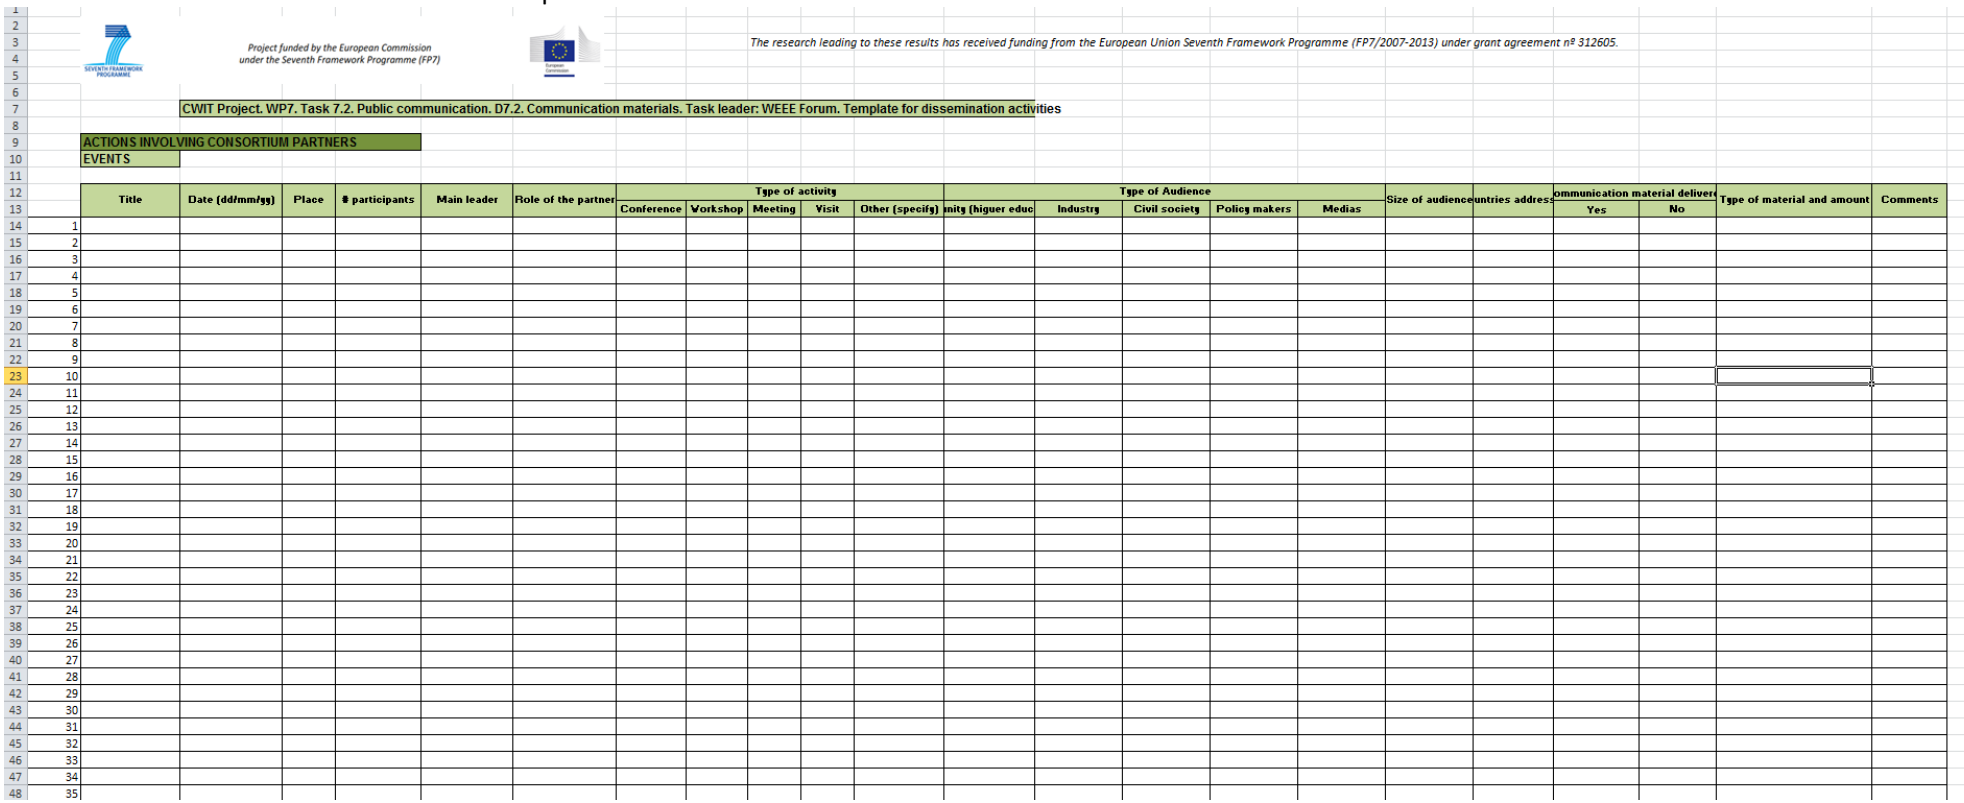
Annex C
Template for dissemination activities

The template for dissemination activities consists of a 3-page Excel sheet where the Consortium partners and the Externals participating in the dissemination activities of the project will specify all of their actions. The file is available in: Dropbox\CWIT_Project\WP7\Communication Strategy\D7.2. Template for dissemination activities.xlsx. Below is shown one of the sheets as an example.



Project funded by the European Commission under the Seventh Framework Programme (FP7)

The research leading to these results has received funding from the European Union Seventh Framework Programme (FP7/2007-2013) under grant agreement nº 312605.

CWIT Project. WP7. Task 7.2. Public communication. D7.2. Communication materials. Task leader: WEEE Forum. Template for dissemination activities
